

Exmoor Coast 55km- 8th October 2022

Overview

The route starts in Combe Martin, and heads east to finish in Minehead, at the official South West Coast Path start/finish marker. This completes a full traverse of the Exmoor Coast.

The route is approximately 55km and almost entirely off road. It is generally well marked, as it follows the South West Coast Path.

This event should not be underestimated, as it is a tough section of coast! As with all Climb South West events, you will be supported by our team of qualified Mountain Leaders with extensive experience and local knowledge of the North Devon and Exmoor Coasts. They will also provide first aid cover at key points along the route, with sweepers on the course in between.

Food and Drink

There will be checkpoints at two locations where food and drink will be available. This isn't a fully catered event but we will have a range of drinks and snacks available to supplement whatever you bring with you. Please see the table below.

Support Crew

We encourage the use of support crews at this event. They can meet you as often as you like but please take care on the roads and park responsibly. **We ask that support crews do not enter any of our indoor checkpoints, unless it's an emergency.**

Map

Most of the route follows the South West Coast Path, with navigation being reasonably simple. It is generally well marked with South West Coast Path signs with an acorn symbol.

The South West Coast Path should be followed as closely as possible without attempting to shorten the route. The only exception is below.

After Bossington Hill, take the high level “South West Coast Path” not the “Rugged coast path”. Continue following signs for “Minehead via Coast Path”.

The route can be viewed in detail on Outdoor Active here: <https://out.ac/gbJct>

If you'd like a more detailed map, we'd recommend 1:25,000 OL 9 Exmoor.

If you'd like to learn more about navigation, we can tailor our navigation workshops for individuals or groups of walkers / runners. These are available at any time of year and they are suitable for beginners through to more advanced skills for mountainous areas.

Your safety

We have arranged for a minibus to be used for safety cover at this event. It can take you forwards to the next checkpoint. This minibus will **not** return to Combe Martin after the event.
